HOW DOES FREEGAL MUSIC + WORK?

Freegal Music + was designed to browse or search for your favorite music.

You will be able to stream or download music.

Your Download Limit will reset every Monday at 12:00am (Central Time, USA). Your Streaming Timer will reset daily at 12:00am (Central Time, USA).

WHY ARE THERE LIMITS ON THE AMOUNT OF DOWNLOADS I CAN MAKE?

The limit is set so that a maximum number of patrons may have equal access to the songs in the Freegal Music + Service. Once you have used all of your downloads for the week, the “Download limit met” notification appears.
